

Monthly £1,000 Holiday Voucher Prize Draw

How to enter

Purchase any binocular, telescope or monocular worth £149 or more from In Focus from any In Focus shop, field event or online between September 1st 2017^h and 30th September 2017 for a chance to win a Naturetrek holiday voucher worth up to £1,000.

A draw for a voucher will take place within a week of the end of each calendar month during the September to November promotion period. Entries to each draw will comprise the list of customers that have purchased qualifying equipment in that month. Entrants will not be carried over to the following month.

Your contact details including name, address, phone number and email address will be added to an electronic list in order that a winner can be randomly selected by computer. Unless you instruct us not to, your details will also be added to In Focus and Naturetrek electronic mailing lists for use in future marketing and sales promotions.

What you can win

The winning entrant will receive a voucher in the form of an email from Naturetrek which will entitle them to up to £1,000 off the price of any Naturetrek holiday or break.

The voucher may be used as part payment against a single holiday or break costing more than £1,000 or for total or part payment against up to two holidays or breaks costing less than £1,000 in total. If the value of the holiday(s) or break(s) is less than £1,000, no cash refund or partial value voucher of the remaining amount will be made available.

Terms and Conditions

The voucher will be issued 30 days after the purchase date, must be used within 90 days of issue and be redeemed against a holiday or break taking place within eighteen months of the purchase date. The booking must be made by telephone with the winner quoting the voucher code supplied in the email. Payment for any remaining balance must be made at the time of booking. Contact details for Naturetrek and the terms and conditions which will be applicable once the booking is made can be found at:

<http://www.naturetrek.co.uk>

No alternative prize will be offered in the event that the winner is not eligible or able to book a holiday or break with Naturetrek. In the case that the winner cannot accept the prize, their details will be removed from the electronic list and another winner will be selected at random by computer from the remaining entrants.

If the product purchased is returned for a refund, the entrant's details will be removed from the electronic list.

To be eligible for entry to the draw, the entrant must be aged over 18 to travel alone (minors must be accompanied by an adult), be legally resident in the UK and hold a valid passport covering the dates of travel where the holiday or break is outside the UK.

Purchases of new or second-hand products are eligible. Used products may be traded-in against eligible purchases under In Focus' usual terms. Only one entry will be made per person per month.

The full list of In Focus shops and field events can be found at:

http://at-infocus.co.uk/in_focus-shops-and-events.html

The organisers of the prize draw are L&L Optical Ltd trading as In Focus and Naturetrek Limited. Employees of both companies and their relatives are not eligible to participate.
